

*Industrial Pumps, Fluid Control Valves, Sealing Devices, Service and Repair*

## **EQUIPMENT LIST**

### **TRANSPORTATION**

1997 Ford Louisville 33,000 #GVW stake body truck\*

2008 Ford F-350 stake body truck

2003 Chevy pick-up truck

2004 Ford F-350 stake body truck

2006 Chevy pick-up truck

### **CAPACITY**

2 ea. - 5 ton overhead cranes

1 ea. - 3 ton overhead crane

1 ea. - A frame - 1 ton

3 ea. - 10,000# tow motors

1 ea. - 2 ton gantry

1 ea. - 8000# tow motor

1 ea. - A frame - 3 ton

1 ea. - 3000# tow motor

### **QUALITY PROGRAM**

-Documented Quality Program based on IPC/SPC guidelines.

-Centralized gauge control traceable to U.S. Bureau of Standards.

-Computerized cost control tracing man, machine and operations for each job.

-“Hard” job folders on each and every repair job since 1965.

## **TESTING**

Hydrostatic pressure testing.

Rotary vacuum pump test stand with thermocouple gauge.

Dynamic balancing 96" x 5,000 #

NDT dye penetrant.

## **CLEANING**

3 ea. - Sandblasting cabinets

1 ea. - Sandblast booth

1 ea. - Hot caustic degreaser with agitator

1 ea. - Sandblast booth

1 ea. - Hot caustic turntable wash cabinet

1 ea. - Sandblast booth

1 ea. - Glass bead booth

## **MACHINING CAPABILITIES**

### **BORING**

Horizontal boring mill – Gidding and Lewis 340T, 5” spindle 48”x120” Table, 108”  
Cross Travel 96”Saddle Travel, 80” Head Travel

Vertical boring mill – Schiess 49” V.T.L. – 52” Diameter Swing

### **MILLING**

Bridgeport 2J – With Power Table and Digital Readout

Bridgeport 2S – J Head, 3 Horsepower

Millport 2S – With Power Table and Numeric Readout

Kerney & Trecher Universal

### **TURNING**

Tum 15”swing x 40”

Monarch Lathe, 37” swing x 108”

Sirco Lathe, 24” swing x 120”

American Pacemaker 20” swing x 120”

Pacemaker Lathe, 16” swing x 78”

NASA Lathe, 16” swing x 80”

Leblond Lathe 32” swing x 120”

Monarch Lathe, 18-1/2” swing x 78”

Cleveland Mighty Turn, 21” swing x 80”

Tarnow Lathe, 22” swing x 80”

Summit Lathe 18” swing x 80”

Summit Lathe 24” swing x 120”

## **GRINDING**

Van Norman grinder, 24" swing x 103" centers

Harig Surface grinder, 6"x12" table

## **SERVICES**

Dynamically Balancing, 96" swing x 120", 5000 lbs.

Metallizing, stainless, ceramic, nickel chrome boron

Welding MIG, TIG, Stick

Easy Laser D450 alignment system
